Dear Hiring Manager,

I am writing to express my interest in the open position which you advertised on LinkedIn for a Machine Learning Engineer with MLOps position. As a Data Science enthusiast, I thrilled to see your posting. I am also attracted to this role because of the growth opportunities that your company provides. The research that I have done on your company's culture shows that there are ample opportunities for self-motivated individuals like me.

I thrive in high-pressure and fast-paced situations, striving for positive results by applying my Data Science and Solutions development abilities. Further, I possess expertise in Complete Data Science life cycle which includes Data Preparation, Model Training, Model Evaluation, Productionizing models. My problem-solving and self-learning skills have supported my professional growth.

Because of my financial problems i couldn't take master's degree, But the interesting thing is my friends who are pursuing Master's in UK, US used to take my help to complete their academic assignments and to understand the real time use cases. **I believe that my professional background and real time experience drive make me an ideal candidate to fill this position.** If you give me the chance to interview for this job, I'm certain you won't be disappointed.

If you look at my previous companies to which I worked, all are MNC's like **IBM,Infosys,Cognizant,Accenture**. Thank you for your time and consideration. I look forward to meeting with you to discuss this opportunity in greater detail.
